Having lived in this area 40+ years I am fully aware of the market trends and what it takes to get a great deal purchasing a home or how to get top dollar marketing your home. When it comes to getting the job done right, you can count on me. Having a lot of connections locally and nationally I can help you transition to a new home anywhere. This process is all about you and your needs. Real Estate is a big investment and I understand that. One thing you will get with me is a personal relationship. In the end, that goes a long way. For more information, please give me a ring, text, or email me today. I would love the opportunity to earn your business and partner with you to achieve your Real Estate goals.

We are immensely grateful to our loyal sponsors.

CCWC and The Lamb Center...

Clifton Community Woman's Club has been providing hot lunches once a month since 2018 for The Lamb Center, a daytime, drop-in shelter for the poor and homeless in Fairfax, Virginia. CCWC was determined to continue its support during the pandemic, so we began providing a variety of sandwiches made by our members along with fruits and veggies, chips, desserts, and drinks, and continue to do this today.

"Guests often come through our doors not only hungry but malnourished. We are grateful to the Clifton Community Woman's Club for its long-time support and its healthy meals that fuel our guests through difficult days."

-Tara Ruszkowski, Executive Director

It brings us great joy to see the happy faces of the guests and Lamb Center staff as we share our lunches.

In any given year, the contributions of the women of CCWC to The Lamb Center add up to more than 100 hours of service and over \$2,500 in donations, both monetary and in-kind, to feed the hungry in Fairfax.

The Clifton Community Woman's Club (CCWC), founded in 1971, is affiliated with the General Federation of Women's Clubs (GFWC), including the GFWC of Virginia.

Founded in 1890, the General Federation of Women's Clubs, is one of the world's largest and oldest women's volunteer community service organizations. Headquartered in Washington, D.C., GFWC has more than 100,000 members in affiliated clubs in every state and over a dozen countries.

**Clifton Community Woman's Club
a 501(c)3 Organization
*<http://cliftoncwc.org/>***

Founded in 1971, ***The Clifton Community Woman's Club, a member of the General Federation of Women's Clubs***, is an organization for women who want to make a difference. As a charitable organization, through our 501(c)(3) Charitable Trust, we contribute thousands of dollars annually to scholarships, local charities, and other charitable organizations.

While CCWC is primarily a service organization, we have lots of fun, form lifelong friendships, and forge ties to our community.

Offering both day and evening meetings at the Fairfax Station Railroad Museum, September through June, on the first Thursday of the month, we accommodate members varied schedules. We welcome all women from Clifton and the surrounding communities. We believe that new members bring new ideas and energy to our Woman's Club, and we *welcome all who want to join!*
